

# STA CHEERLEADING

## Registration for fall 2017

Calling all Cheerleaders grades 1st-8th. This is a great opportunity for your child to get involved and make some lasting friendships. The cheer season runs with STA football and is typically from September to November. The games are usually on Saturday

morning/early afternoon. We will be holding Cheerleading camp during the week of August 21. During camp, the girls will learn the halftime dance and the cheers. There is no fee for camp. It is not a requirement of cheerleading that every girl attends every day of camp but it is encouraged to attend if possible so that the girls can learn the dance routine and be able to participate in halftime at the very start of the season. Once school starts, we will hold practice once per

week after school (we will email times). Parents must be able to drive their child to the games or arrange for car pool but a parent or guardian must remain at the games. Our home games are held at Garnet Valley High School football field. Away games will be decided on a case by case basis. This is a very laid back, FUN activity for your daughter to get involved in. There is no pressure here! All that is expected of the girls is to have fun and show their school spirit. The cost for cheer is usually around \$80-\$90 for the season and the only other possible expense would be the cheer banquet which is typically held in early December and costs approximately \$12 per person (includes food, drink and trophy). No one will be turned away for an inability to pay. We supply the cheer uniform and pom-poms. White sneakers, black or dark green bloomers/small shorts (for under skirt) are required. Uniforms and pomp poms are returned.
