

Summer Camp for ages 7-11 with
Mrs. DelBuono

Potion, Powders and Polymers Academy

Is it science or magic? You'll find out!! You will create erupting foam monsters, conduct amazing air pressure experiments, dig for hidden treasures, investigate the science of illusions and build spectrosopes to view the spectrum of different types of light. We will revel many mysteries of science as we investigate creepy creatures, learn troll tricks, capture a rainbow in a bottle, make instant snow, mix up glowing slime and conduct lab tests on mystery substances!! Join me for a week filled with SCIENCE FUN!!!!

When: July 9th-13th

Time: 9:00-3:30 in the Science lab(half day sessions are available)
