

# Knights Newsletter

Dear Parents,

Thank you for a fantastic school year. Thank you for having a Little Faith in Me! This year was filled with challenges and celebrations. We made it through this year because we trusted and communicated with each other and we were respectful to each other. Thank you for having faith in the teachers to educate your children. We loved seeing them grow, and transform before our eyes. Thank you for working with the teachers and supporting our school in so many ways. Thank you for helping and supporting the Harvest Fest, Haunted House, Talent Show, Lunch with Santa, Santa's Secret Shop, TAP Play, Day of Giving, STAR Race and our DELCO Night. We raised over \$100,000!

We plan on making some upgrades over the summer. We are replacing ceiling tiles in the classrooms, upgrading the chalk boards on the 2nd floor to White boards, painting the 1st floor hallway, purchasing STREAM Materials and expanding our learning support program. We could not have made these upgrades without the support and generosity of our families. We are truly grateful to all of our families' for your support!

I would like to announce the end of the year award winners. We created 3 new awards. The St. Francis Award for School Spirit, The Bill Mock Effort Award and the St. John Neumann Award for Academic Excellence. Congratulations to the award winners and their families! We also recognized our June Students of the month for the virtue of Fairness. The Beth Udwich Family presented one award to a deserving student for tuition assistance. Finally, our alumni recognized students with the Alumni award. The award winners are located on the next page.

Please make sure you are doing your summer reading. Here is the summer reading assignments:
